2014 Puget Sound Energy Distinguished Faculty Award

Purpose of the Award
To recognize Clover Park Technical College faculty members who by their teaching and professional, campus and/or community involvement have demonstrated distinguished service to technical education.

Amount
One $2,000 award will be presented at Graduation.

Use of Funds
Funds may be used for professional development activities and/or to support acquisition of equipment, supplies or other items for the recipient's program.

Deadline
Return to CPTC Foundation, Building 19, room 101 by **4:00 P.M. Thursday, 8 May 2014.**

Nomination Process
Any member of the Clover Park faculty, student body, classified, maintenance/custodial or administrative staff may nominate candidates. The nomination shall be made on the form provided (see page 2). The nominator shall provide written statements and any other materials which demonstrate the candidate's qualifications for the award.

Nomination and Selection Criteria
Criteria for nomination and selection may include demonstrated excellence by the nominee in any or all of the following areas:

1. Emphasis shall be on the nominee's primary work teaching assignment, including but not limited to the following: a) innovative teaching strategies; b) teaching which inspires student learning; and c) curriculum development using alternative instructional deliver methods.
2. Involvement in College committees and activities.
3. Professional development in the nominee's field of expertise and/or in the teaching profession and sharing of that expertise with other faculty, staff, and administrators.
4. Active role in promoting technical education through involvement with professional associations, the nominee's respective industry, and the community.

Selection Committee
The selection committee will consist of one faculty member, one administrator, and two Foundation Board members. No member of the committee shall serve when his/her service would constitute a conflict of interest in the selection process.

Selection Process
The Selection Committee will review, rate and rank nominations using the stated criteria and make recommendations to the Foundation Executive Director for the final award.
