Lakewood: The Clover Park Technical College Foundation is pleased to announce the recent addition of three board members, Ty Cordova, Mary Green and Steve Brewer. "Our newest board members bring strong community and business support with them to the table. Ty, Mary and Steve are professionally and personally committed to ensuring that our students achieve their educational goals at Clover Park Technical College," according to Foundation President Mike Block.

Ty Cordova is the Marketing and Public Affairs Manager for State Farm Insurance in Dupont. He is currently the President for the Hispanic Chamber of Commerce.

Mary Green is a retired Elementary Administrator. She served as a member of our college general advisory committee and is an active member of the Lakewood Knights, Chair of Communities in Schools of Lakewood, member of Delta Sigma Theta Sorority, and active member of the Washington Association of Elementary School Principals.

Steve Brewer, Factory Superintendent at the Composite Manufacturing Center in Frederickson. He is a graduate of the Boeing Leadership Development Program and the Aerospace Industry Manufacturing Seminar at University of Washington.

For additional information about the Clover Park Technical College Foundation, please contact Cecelia Loveless, Director of Development at 253-589-5962.
