

IBEST Nursing Assistant – Certified

Students learn the basics of nursing, leading to employment as a Nursing Assistant – Certified, or earn priority registration into our Licensed Practical Nurse or Registered Nurse degree programs.

The Nursing Assistant – Certified program takes 20 weeks to complete.

Nursing Assistants assist licensed health care providers with basic care of patients in hospitals, convalescent homes, and private residences.

Nursing Assistant – Certified average \$13.72/hour*

Licensed Practical Nurses average \$20.68/hour*

Registered Nurses average \$35.34/hour*

What is IBEST?

IBEST gives adult education students access to technical programs by combining basic skills instruction with career preparation. IBEST offers a team approach that supports student development.
