President’s Report
Student Success Speaker
Alexandra Haley graduated in winter quarter from the Dental Assistant Program with Honors and an AAT degree. She also convinced her mother and daughter to attend CPTC – her mother is in the Dental Assistant Program, and her daughter is in the Running Start Program.

When her husband had a stroke and she needed a job, she decided to go back to college. She chose CPTC because she was greeted by happy people who looked as if they liked their jobs. Ms. Haley said everyone was amazing and helpful, especially while she was going through an emotional time. She also worked on the Student Council and accompanied President Loveday to meet with legislators. Her plan is to take the Dental Hygienist Program at Pierce College.

New Century Scholar
Alexandra Haley was selected to be one of four CPTC students nominated for the All-USA Academic Team. As a result of that nomination, she was selected at the national level as the 2019 New Century Workforce Pathway Scholar, representing the state of Washington, awarded by the Coca-Cola Foundation and Phi Theta Kappa Honor Society. The selection was based on academic accomplishments, leadership activities, and how students extend their intellectual talents beyond the classroom. Over 2,000 students were nominated from more than 1,200 college campuses across the country, and only one New Century Workforce Pathway Scholar was selected from each state. Ms. Haley will receive a $1,250 scholarship that will apply to the next step of her educational journey.

Alumni of Distinction (Attachment 1)
Alumni of Distinction Awards are provided to alumni who have contributed to the College and/or the Pierce County community in which we live and work. Nominees are selected for professional or personal achievements, community service through active involvement in civic and/or charitable organizations, or service on a CPTC advisory board or as a student mentor or advocate. 2019 awardees are listed below, and nomination summaries are attached:
Fantasy Lights Participation Recognition
Jennifer Spane, Recreation Supervisor, Pierce County Parks Department, said she has the task of overseeing Fantasy Lights. She was excited that CPTC was able to participate again and provide a turtle display. Parks Department workers gave CPTC’s welding program high praise for the quality work they did. Ms. Spane thanked CPTC and presented two plaques, one to the Board of Trustees and one to the program instructor.

New Core Theme (Tab 5)
CPTC currently has three core themes and is proposing a fourth – Equity. Equity is central to the work we are doing with Guided Pathways and with what we are doing in the community. It will become part of the key results that CPTC reports on each year. President Loveday asked Trustees to consider adding “Equity” as a new core theme.

Shared Governance

The Services & Activities (S&A) Budget Committee approved an $850,703 operating budget for the 2019-2020 fiscal year (FY) with no additional increase to the student fee.
