**REVIEW OF THE ACCIDENTS/INCIDENTS OF LAST MONTH- 4**

**GENERAL SAFETY CONCERN:**

1. With fall and freezing weather approaching, any concerns regarding moss, bushes, or trees needing trimming should be submitted via a work order or call security.
2. As temperatures drop, staff, faculty, and students are encouraged to sign up for CPTCWARN text alerts for timely updates.
3. A control issue affecting outdoor lighting at South Hill Campus and Lakewood Campus has been identified. A contractor has been contacted to resolve it.

**CONCERNS:**

1. Free Dental Event-November 14<sup>th</sup>. Request for Security presence with an AED on-site during the event.
2. Diminishing daylight has raised concerns about lighting near Building 3. A work order is recommended.
3. Concern raised about mobility accommodations for faculty/staff during in-service days. Suggestion: use of a golf cart for transportation between buildings. Feedback: The issue will be discussed with the in-service committee and administration, with a follow-up to come.
