Satisfactory Academic Progress Suspension Appeal

You have been suspended from financial aid because you did not successfully complete the required number of credits and/or your GPA did not meet requirements. If you feel that this was the result of unusual circumstances beyond your control, you may appeal your suspension status. Some examples of unusual circumstances may include, but are not limited to: death in immediate family, hospitalization/serious illness which required doctor's care, or disasters.

If you had a previous appeal approved, any subsequent appeal(s) will be held to a higher standard and will be subject to tighter scrutiny.

****Appeals with no supporting documentation will be denied.****

****Attend your classes until a determination has been made.****

****If you owe a repayment of financial aid, you will remain on suspension until it is paid in full. ****

Directions: Please read carefully!

- 1) Reason for Appeal: **Attach a one page signed statement explaining the 2 questions below. A signed statement is required for all appeals. (You may also use the back of this page for your statement.)**
 - a. Describe the circumstances that made you unable to make Satisfactory Academic Progress.
 - b. Describe the steps you have taken to ensure this situation will not happen again and how this situation was resolved.
- 2) Provide supporting documentation from another source such as a letter from clergy, doctor, teacher, or medical bills/records, or police/insurance report on official letterhead **and** with all appropriate signatures.
- 3) Complete one iGrad Course online, print and provide a copy of your certificate of completion offered at the end of the course. <https://cptc.igrad.com/login>
- 4) Complete and submit this Appeal form, your written explanation, supporting documentation, and a copy of your certificate of completion from the iGrad Course to the Student Aid & Scholarships Office in one completed packet.

Special Notes: Please read carefully!

- 1) **Be sure to attend all of your classes while your suspension appeal is being reviewed.** Submit your appeal no later than the first 5 days of the quarter you are requesting reinstatement. Please allow **1 week** for your suspension appeal to be reviewed. If your appeal is not submitted within the 1st 5 days of the quarter, your appeal will be reviewed for the subsequent quarter by the Open Registration dates for the subsequent quarter.
- 2) Once your appeal has been reviewed, you will be notified through the financial aid portal and by mail concerning the decision on your appeal.
- 3) Students who earn zero credits during any quarter may owe repayments to the college, to federal and/or state financial aid funding sources, or all. **Repayments are not waived when a Satisfactory Academic Progress appeal is approved.**
- 4) **INCOMPLETE GRADES DO NOT COUNT TOWARD CREDITS COMPLETED FOR FINANCIAL AID PURPOSES.** If you are receiving financial aid, taking incompletes may result in financial aid suspension. You have the first two weeks of the following quarter to complete the required coursework. Your financial aid suspension will remain in place until all classes have been completed and grades are posted to your transcript. You may submit a financial aid appeal to prevent being dropped from your classes, but no determination will be made until your classes are complete and grades have been submitted. At the end of the two week period, your appeal may be denied if the classes have not been completed and sufficient reasoning is not given.
- 5) Providing you the opportunity for appeal is neither a commitment of funding by Clover Park, nor an indication that an appeal will be approved. If your appeal is denied, students choosing to continue attending are expected to pay for all tuition and fees without financial aid resources. **Failure to make required payments will result in cancellation of your registration or collection procedures.**
