			Revised (2018)	Next review (date)

**PROCEDURE**

To be placed into math, English and some program classes, students may have scores set using multiple measures for placement.

1. Students will provide unofficial college transcripts, official high school transcripts which may or may not show Smarter Balance results, official Advanced Placement or International Baccalaureate scores, SAT, ACT, High School Equivalency (formerly known as GED) or CASAS scores to the Enrollment Services Office or to Outreach & Entry Services.
2. Enrollment Services or Entry Services staff will evaluate the multiple measures provided by the student and subsequently, note on the student record the appropriate placement scores for math and/or English based referencing the Clover Park Technical College Placement Measures Grid.
