If a student registers for a class that is full, the system will ask if they would like to be on a waiting list for the class. If they answer yes, they will be added to the automated waiting list. As students change their schedules and drop classes, the system will automatically register the next person on the waiting list for the openings created.

Notification of Enrollment

Student will be notified of enrollment in a waitlisted class via the student’s class schedule online. Students on waiting lists should check their schedule daily. They also may check their waiting list position or remove themselves from the waiting list.

Once a student has been added to the class from the waiting list, they must pay their fees by the quarter’s tuition and fee due date to secure their registration. For specific quarter fees due date, go to www.cptc.edu/register.

GETTING STARTED

Q A
I completed my admission application into CPTC. When do I register for my classes?

If you completed your admission application online, you will receive an email with your student ID number (SID) and your next steps once your application is processed. Please allow 3-5 business days for processing. Remember to check your junk or clutter mailboxes.

If you completed your admission application in-person, you were provided with a student ID number and directed to meet with an Entry Coordinator.

- [www.cptc.edu/virtual](http://www.cptc.edu/virtual) for hours and available services
- Phone: 253-589-5806
- Email: admissions@cptc.edu

To find out your registration date and time, go to [www.cptc.edu/register](http://www.cptc.edu/register), and click on ‘When Can I First Register?’

Q A
How do I find My Clover Connection (MyCC)?

You can visit My Clover Connection at [www.cptc.edu/mycc](http://www.cptc.edu/mycc).

My Clover Connection (MyCC) is where enrolled CPTC students can manage their schedules, finances and personal information. Through My Clover Connection, you are able to update your information, check your waitlist, get your class schedule, pay your fees, view your unofficial transcript, and much more.

Q A
I forgot my Student ID Number (SID) and PIN or is getting an ‘incorrect SID or PIN’ error message.

You may look up your SID online at My Clover Connection ([www.cptc.edu/mycc](http://www.cptc.edu/mycc)) under ‘Information’. Your PIN is default to your date of birth; MMDDYY format. You may also contact Enrollment Services for assistance.

Q A
Where do I find what classes CPTC is offering or the class item numbers?

You may view the full class listings online at [www.cptc.edu/register](http://www.cptc.edu/register) or by using the Schedule Planner. Schedule Planner is a useful tool if you want to view only open classes. Use the Class Schedule to view all classes, including those that are full. As a reminder, you have the option to add yourself to the waitlist for classes that are full.

Q A
I don't know what classes to register for.

Review your Program Map (Education Plan) for a list of your classes by quarter, or connect with your program Counselor in Advising & Counseling.

Q A
I need to contact an instructor, how do I find their information?

Find an instructor’s contact information at [www.cptc.edu/instruction-directory](http://www.cptc.edu/instruction-directory).
REGISTRATION ERRORS

I'm registering for a class, and it's automatically adding another class.
The class you’re registering for is linked. If you’re registering for an English or Math class, the class cannot be split; you will need to select another section. If you’re registering for a program class, you will need to contact your program instructor for written permission to split the class, then provide the permission to the Enrollment Services Office.

I'm getting one of the following registration block error messages:

- **Invalid fee pay status** - if you’re a Running Start or NWCTHS student, you must contact your advisor for registration instructions.

- **Invalid registration appointment date or time** - you may be registering before your access time. Check your registration access at [www.cptc.edu/register](http://www.cptc.edu/register), click on 'When Can I First Register?'

I'm getting a ‘you have not met the prerequisite for this class’ error message and am unable to register.
This typically means you have not completed or currently enrolled in a class(es) required for this course. Review your Program Map (Education Plan) to make sure you’re enrolling in the correct class sequence. If you have questions, connect with your program Counselor in Advising & Counseling.

The class I'm trying to register for says ‘permission is required to register for this class’.
This class is permission-only and will need either an entry code or the instructor’s written permission. Contact the instructor for the class. If you’re provided an entry code, you will be prompted in the online web registration to enter this code. If you’re provided a written permission, you will need to submit a paper or online Registration or Add/Withdrawal Form and upload the instructor permission (a screen shot or photo of the instructor’s permission is acceptable).

I have an instructor's permission, where do I send this to?
An instructor’s permission to enroll in a class must be included with your Registration or Add/Withdrawal Form. You can access these forms online at [www.cptc.edu/esforms](http://www.cptc.edu/esforms). You will be prompted to upload your permission with your form.

The entry code I was given is not working.
Entry codes are class specific. Make sure you’re entering the correct course item number with the appropriate entry code. If you continue to have difficulties, contact your instructor or the Enrollment Services Office.
FREQUENTLY ASKED QUESTIONS

I HAVE OTHER QUESTIONS...

After I register for classes, what do I do next?

After you register for classes, make sure you have your funding in place. Connect with your funding source(s) to make sure your application is complete. We encourage you to review the Registration Information Packet available online at www.cptc.edu/register. This packet provides you instructions for finding your books, additional financial resources, logging into your online class, important quarterly dates, and more.

If the class I need is full, what do I register for?

If a class is full, you have the option to place yourself on the automated waiting list; otherwise, review your Program Map (Education Plan) for other classes you may enroll for. If you need assistance, connect with your program Counselor in Advising & Counseling.

I'm on a waitlist, how does this work? Will someone contact me if I get in?

The waitlist automatically enrolls the next student in queue when a spot becomes available. You will not be notified if you get into the class. Make sure to monitor your waitlist regularly. If you don’t see the class you waitlisted for, check your class schedule to verify you were enrolled into the class. To view your waitlist, go to www.cptc.edu/mycc, click on ‘Check Waitlist’.

How do I get a copy of my schedule?

You can get a copy of your current or previous class schedule online at www.cptc.edu/mycc, then click on “Get Your Schedule”.

I no longer want to be registered for a class, what should I do?

If you no longer want a class you are registered for, you must officially withdraw from the class. To withdraw/drop your class(es):

1. **Prior to the start of the quarter** - go to www.cptc.edu/register and log into your registration access through WEB REGISTRATION. You will have the option to add or drop classes.
2. **Beginning the 1st day of the quarter** - you will need to submit an online Add/Withdrawal Form (www.cptc.edu/esforms).

For withdrawal and refund dates, go to www.cptc.edu/academic-calendar. We recommend you speak with financial aid or your funding agency before dropping your class to ensure your funding will not be affected.

When will I receive my refund?

Refunds typically take two (2) weeks for processing plus any additional time for bank credits or for your check to arrive at your address. Payments made by a funding source will be reviewed by the source for disbursement. Payments made by a credit card will be refunded back to the credit card used. Payments made by check or cash will be refunded in the form of a check and mailed to the address on file.
Why is my tuition this amount? What is the difference between tuition and fees?

You may contact our Student Financials Accountant at tip@cptc.edu or 253-589-5651 for details on your charges or other charge related questions.

My tuition is being paid by financial aid, Worker Retraining, VA Benefits, or another agency.

Students are responsible for their tuition and fees upon registration into classes. If you have funding through financial aid or any other agency, it is your responsibility to make sure you follow up with your funder by the quarter’s Tuition and Fee deadline to prevent being dropped from your classes for non-payment or owing the College.

Applied for financial aid? View your award information online at www.cptc.edu/financial-aid, click "Financial Aid Student Portal".

When do I get my grades at the end of the quarter?

The college does not mail grades at the end of the quarter. Log in to "Online Grades" at www.cptc.edu/mycc to see your grades once they become available online.

View dates when quarterly grades become available online at www.cptc.edu/academic-calendar.

How do I find out if I have completed all required classes for my program?

Degree Audit allows you to log-in using your SID and PIN, choose your program, and provides you with the list of classes you have completed and/or the classes you will need to complete for your certificate or degree. You can access Degree Audit online at www.cptc.edu/mycc, under Enrollment Services.

How do I request my Official Transcript?

Go to www.cptc.edu/mycc, click on Order Official Transcript. There is a charge of $10 per official transcript. Only major debit/credit cards accepted.
