<u>USE OF FUNDS:</u> Financial aid funds are first applied to allowable charges, such as tuition and mandatory fees. Clover Park Technical College would need prior authorization from you if you would like any excess financial aid credit balances to be applied to miscellaneous charges, which may include (but are not limited to): parking fines, non-mandatory fees, library fines, and late fees.			
Providing authorization to apply aid to miscellaneous charges will help prevent an account hold for unpaid charges, which would prohibit you from registering and enrolling in future quarters, obtaining grades/transcripts, and receiving your diploma. You are not required to give authorization but if you do, you may rescind the authorization at any time.
