

Practical Nurse Application (*revised 11/22/2022*)

Thank you for your interest in the Practical Nurse Program at Clover Park Technical College. The application process consists of several requirements prior to admission to the program. **PLEASE READ THE ENTIRE PACKET.** *Admission policies are subject to change.* Applicants are accepted under the terms in place at the time the application is received. The student is advised to keep up to date on any changes that might affect their qualifications for acceptance into the Practical Nursing program.

PROGRAM OVERVIEW:

The Practical Nursing Pathway prepares the student for employment as an entry-level practical nurse. Following successful completion of the pathway, the graduate is eligible to take the NCLEX, state board exam and apply for licensure as a licensed practical nurse. The LPN provides basic patient care under the supervision of a registered nurse, ARNP, physician, or other health care professional. LPN's are employed by long-term care facilities, in outpatient settings, clinics, schools, and hospitals. The LPN performs basic patient care, administers medications, performs skilled nursing procedures, and documents in the patient record. During lab classes the student practices nursing skills, some of which are learned by practicing on classmates. The student also participates in a variety of clinical experiences that allow them to apply theoretical knowledge to patient care. During this clinical experience, the student is expected to demonstrate competence in providing safe patient care.

PROGRAM COMPONENTS:

The Practical Nursing Program begins each fall, winter, and spring quarter. The program takes approximately 4 quarters to complete, depending on the time students need to satisfactorily complete all graduation requirements. Clinical experiences in the third and fourth quarter may be scheduled during day, evening, or weekend hours and may begin as early as 5:45 A.M. or end as late as 11:00 P.M. Students may be required to drive up to 50 miles to some clinical sites.

HEALTH DECLARATION:

It is essential that nursing students be able to perform a number of physical activities during the clinical portion of the program. This will include lifting/transferring patients, observation/assessment of patient using the physical senses, standing for long periods, performing bending activities, and executing movements required to provide care for patients in a variety of all health care settings. Students must be able to handle stressful conditions. Individuals should carefully consider the mental and physical demands of the program prior to submitting the application.

EMPLOYABILITY REQUIREMENTS:

This occupation requires medium activity and lifting/handling objects weighing up to 50 lbs. and handling body fluids. Nurses are often standing for long periods of time. For safety and protection of patients, student nurses must be able to perform basic cardiac life support, including CPR, and function in stressful and/or emergency situations.

Admission Requirements:

- Admission to College: Completed CPTC admission application with Practical Nurse listed as your program of study
- **All LPN program communications will be transmitted via email. Please be sure to check your email frequently for updates and other important information.**
- Transfer credits will be available through the ctcLink homepage.

 - ***MUST*** be fully vaccinated. No exemptions will be accepted.

Admission Exam

The admission exam is the National League for Nursing (NLN) PAX admission exam and you will need to have a score of 102 or higher for acceptance. The exam is available in the Testing Center in Building 17, Room 250. You will have 2 hours and 15 minutes to complete this exam and you make take it as many times as needed to obtain the score of 102. There are three sections to the exam: Verbal, Mathematics, and Science.

How to sign up for an exam:

- Detailed instructions for how to create an account and schedule an exam can be found at www.cptc.edu/testing and www.cptc.edu/programs/nursing.
- You will have the option of purchasing an on-site exam (HyFlex) or a remote proctored exam (Examity). Test preparation materials are also available to purchase through the exam portal.
- If you purchased an exam to be delivered in the Testing Center, book your appointment at www.cptc.edu/testing and click on "Book an In-Person Appointment" at the top of the page.

- On the day of your exam bring government issued identification and the additional testing fee of \$10. The testing fee must be paid at the Cashier's Office (Bldg. 17 | Room 140) prior to testing.
 - An in-application calculator, white board, and on-line support will be provided when testing.
 - Your scores will be available 4hrs after exam completion and can be accessed in the "My Dashboards" section of your NLN account.
- **Nursing Application Fee:** Non-refundable application fee of \$40.00 payable at the CPTC Cashier's Office or over the phone by calling 253.589.5505.

Requirements upon acceptance:

Upon acceptance to the PN Program, you will be required to submit your CPR card (AHA) as well as a copy of your current personal health insurance card. These documents will be required at orientation.

- CPR card: The only card that will be accepted is a current American Heart Association BLS for Health Care Provider card. All other cards will not be accepted.
- Personal Health Insurance

Nursing Program Application Checklist:

- Complete the college Admission Application if you are a new student at www.cptc.edu/apply.
- Provide a copy of the Practical Nursing program application on following page
- Provide a copy of your NLN composite test result showing a score 102 or higher
- Provide immunization documentation for all required immunizations
- If pre-requisites **not** taken at CPTC; provide a copy of your official transcript
- Attach a copy of the receipt showing payment of the \$40.00 application fee

Submit your completed packet in person in Building 21 in the drop box outside of Room 202, by email, or by mail to the address listed below. Your application packet will be date/time stamped when the entire packet is received. Incomplete packets will not be processed for admission to the Practical Nursing program.
