**USE OF FUNDS:** *Financial aid funds are first applied to allowable charges, such as tuition and mandatory fees. Clover Park Technical College would need prior authorization from you if you would like any excess financial aid credit balances to be applied to miscellaneous charges, which may include (but are not limited to): parking fines, non-mandatory fees, library fines, and late fees.*

*Providing authorization to apply aid to miscellaneous charges will help prevent an account hold for unpaid charges, which would prohibit you from registering and enrolling in future quarters, obtaining grades/transcripts, and receiving your diploma. You are not required to give authorization but if you do, you may rescind the authorization at any time.*

**Please CHECK ONE option below:**

- YES, I DO want Clover Park Technical College to pay all miscellaneous charges with my financial aid funds. I authorize Clover Park Technical College to apply any excess financial aid funds to current charges and up to \$200 of prior year charges that may appear on my account during the academic year.
- NO, I DO NOT want Clover Park Technical College to pay miscellaneous charges with my financial aid funds. I understand that I may have an account balance that I am responsible for paying. If I fail to pay this balance my student account may be blocked or sent to collections.
