

Bachelor of Applied Science in Cybersecurity

APPLICATION INTRODUCTION

This document contains the application materials for Clover Park Technical College's Bachelor of Applied Science in Cybersecurity program. Please print out and complete **ALL** of these forms:

- Admission Checklist
- Cybersecurity Application Form
- Online web admissions form for CPTC <http://www.cptc.edu/apply>

The following supplemental requirements will need to be included with your application:

- Official transcripts from all colleges you have attended (*please exclude Clover Park Technical College transcripts*).
- Proof of current enrollment in any outstanding coursework listed under the admission requirements in the admission packet instructions document.

Applications will be processed approximately 2-4 weeks after submission. Determination letters will be sent via email.

The college will not consider incomplete applications.

Application Contact Information: McKenzie Murphy, Manager of Student Enrollment.

- Phone: 253-589-5830
- Email: mckenzee.murphy@cptc.edu

APPLICATION CHECKLIST

Use this checklist to ensure that you have completed all the application paperwork for the Bachelor of Applied Science in Cybersecurity degree. When you have completed all of the paperwork, submit **everything** listed below together in a single large envelope to the address or email given in the application instructions. The college will not consider incomplete applications.

- Official Transcripts** from **every college attended** even if you did not earn your Associate degree from that college. Include an agency-assessed transcript if it is from a foreign institution. ***You do not need to submit copies of transcripts from CPTC with this application.***
- Cybersecurity Application Form
- Earned Associate Degree (or equivalent)
 - This requirement is satisfied by submission of official transcripts.
 - Associate Degree equivalent can include completion of 90 college level credits, employment, or other life experience that qualifies for credit for prior learning and meets the upper-division course prerequisites. To see if your employment or other life experiences meet the eligibility requirements for the BAS program, please contact Jeffrey Turner (jeffrey.turner@cptc.edu)
- Completion of English Composition – 5cr
- Completion of a Social Science – 5cr

Individuals without an associate degree or 90 credits who qualify to take upper division courses based on their life or employment experience, still need a total of 180 credits) to receive a Bachelor's degree

Bachelor of Applied Science in Cybersecurity

Submit your completed packet to the Enrollment Services Office by email, mail, or the drop box that is located on the west side of Bldg. 17. Partial packets will not be considered for admission to the Bachelors of Applied Science in Cybersecurity program.
