

INTENSIVE ENGLISH PROGRAM

at Clover Park Technical College!

Study English at Clover Park Technical College!

CPTC offers a high quality Intensive English program for international students who need to develop their English skills to a college level for academic study, or who simply want to learn more English.

A small class size allows instructors to provide you personalized attention and support. The Intensive English program will prepare you for academic study at CPTC as well as for a real life in the United States. Our highly qualified instructors have many years of experiences in teaching English to second language learners.

No TOEFL or IELTS Required for Admission

If you apply for the Intensive English program, no TOEFL or IELTS score is required for admission. **Successful completion of Level 4 provides a pathway into one of the many professional technical programs offered at CPTC. Some programs may have additional admission requirements.** Please contact the International Education Programs at international@cptc.edu for more information.

There are four levels in the program and you will develop all four English skills—reading, writing, listening and speaking. All levels are 16 credits and 20-22 hours a week depending on a quarter.
