Welcome to Clover Park Technical College!

Whether you’re entering college for the first time or returning to college to prepare yourself for a career change, CPTC is the place for you.

As a college committed to “Educating Tomorrow’s Workforce,” we offer degree and certificate options to prepare you for a challenging and rewarding future. You will receive hands-on training by faculty members who are experts in their respective fields, who maintain strong ties with business and industry and who pay attention to current trends. CPTC graduates are highly regarded by employers for their relevant knowledge and technical skills.

Our open-door policy provides a rich and diverse student population and a dynamic classroom experience. CPTC enjoys an excellent reputation for quality programs, personalized service, and a commitment to the community we serve. Our dedicated faculty and staff pride themselves on their personal commitment to student success, so please never hesitate to ask one of us for assistance!

Our students have many opportunities to reach their full potential, promote leadership development, and encourage community involvement: the Associated Student Government; campus organizations; professional associations; community work-based learning; and more. I encourage you to take advantage of these opportunities to enrich your education and development.

We are delighted to have you as part of the CPTC family, and we look forward to serving you.

Dr. Joyce Loveday
President
Welcome to Clover Park Technical College!

On behalf of all of the dedicated staff in Student Success, we are glad you chose to be a part of a vibrant, diverse community of learners. Our mission is to foster student success by creating experiences that engage students through programs and services that support their learning and personal development. Thus, the Student Success Team works hard to provide high-touch, proactive learning opportunities both inside and outside of the classroom. This Student Handbook has been designed by students for students to give you some tools to help you successfully navigate your CPTC experience.

Your success is our success! We will be here to support you through the entry process, in your classes, and all the way to completion of your certificate or degree. All we ask is that you show up, do the work, get involved, and ask for help.

Our hope is that each and every student embrace new experiences and learning opportunities and celebrate their successes along the way. Many thanks to the Associated Student Government who designed this digital handbook. Throughout the year they also sponsor many campus activities, clubs, and programs designed to enhance your campus life experience. We hope you take the time to get to know the Department of Student Life and to get involved. Again, welcome to Clover Park. We look forward to playing our part in Educating Tomorrow’s Workforce.

Dr. Scott J. Latiolais
Vice President for Student Success
On behalf of the Department of Student Life, we are so glad you are here!

If we were to describe our department’s mission using a math equation it would be student involvement = student success. Based on decades of research, data shows the more a student is involved, both in and out of the classroom, the more likely they are to be successful in achieving their goals. With that said, we know involvement and success look different for each individual student here at CPTC. That is why we offer a wide array of engagement opportunities available for students to choose from.

Supported by the Services and Activities (S&A) Fee collected from every student’s tuition, Student Life provides campus programming, resources, support services, campus organizations, and leadership development opportunities to all currently enrolled students. From joining a club, to attending an event, to utilizing the Fitness Center, there are many opportunities for students to get involved across campus.

So what are you waiting for? Check out all the ways to get involved and make sure to stay connected with us:

- Find us online and on Canvas at www.cptc.edu/studentlife

Jessica Wallack
Director of Student Life

Attendance Policy

The student is expected to attend all classes for which the student is registered in order to gain the maximum benefit. The instructor may establish an attendance policy for the program. It is the responsibility of the student to know and comply with the policy. Programs having established attendance policies will include relevant information in course syllabi.

A student who does not attend the first two class sessions and/or comply with the established attendance policy for the class or program may forfeit the right to continue and may be subject to administrative withdrawal.

Classroom Conduct

Faculty members and instructional administrators are authorized to take appropriate action to maintain order and proper conduct in the classroom and the cooperation of students in fulfilling course objectives. See Code of Student Conduct WAC 495c-121-070.

Any student who substantially disrupts any college class by engaging in conduct that renders it difficult or impossible to maintain the decorum of the class shall be subject to disciplinary action as defined in the Code of Student Conduct WAC 495c-050-070.

Dishonesty

Honest assessment of student performance is of crucial importance to all members of the College community. It is the responsibility of the College administration and instructional staff to provide reasonable and prudent security measures designed to minimize opportunities for acts of dishonesty which occur at the College. Dishonesty is prohibited, including:

• Fabrication includes falsifying data, information, or citations in completing an academic assignment or requirement, or providing false or deceptive information to an instructor concerning the completion of an assignment or requirement, including submitting for credit without authorization academic work also submitted for credit in another course.

If the faculty member determines that there is evidence of academic dishonesty on the part of a student, the faculty member or instructional administration can impose a failing grade for the assignment, exam or other class requirement, a failing grade in the course. As outlined in the Code of Student Conduct (Chapter 494C-121-060 WAC) additional disciplinary sanctions and conditions may be enforced as a result of the academic dishonesty.

• The possibility of additional student conduct actions such as suspension or expulsion from the college as outlined in the Code of Student Conduct (Chapter 495C-121-060 WAC)

If the student disagrees with the determination of the instructor or administration, they may go through the due process as outlined in the CPTC Student Concerns process.

13. **Sexual misconduct.** Any act of sexual misconduct, including sexual harassment, sexual intimidation, and sexual violence.
   
   (a) Sexual harassment means unwelcome conduct of a sexual nature, including unwelcome sexual advances, requests for sexual favors, and other verbal, nonverbal, or physical conduct of a sexual nature, that is sufficiently serious as to deny or limit, and that does deny or limit, based on sex, the ability of a student to participate in or benefit from the college’s educational program or that creates an intimidating, hostile, or offensive environment for campus community members.
   
   (b) Sexual intimidation. The term “sexual intimidation” incorporates the definition of “sexual harassment” and means threatening or emotionally distressing conduct based on sex including, but not limited to, nonconsensual recording of sexual activity or distribution of such a recording.
   
   (c) Sexual violence is a type of sexual discrimination and harassment. Nonconsensual sexual intercourse, nonconsensual sexual contact, domestic violence, dating violence, and stalking are all types of sexual violence.

   (i) Nonconsensual sexual intercourse is any sexual intercourse (anal, oral, or vaginal), however slight, with any object, by a person upon another person, that is without consent and/or by force. Sexual intercourse includes anal or vaginal penetration by a penis, tongue, finger or object, or oral copulation by mouth to genital contact or genital to mouth contact.

   (ii) Nonconsensual sexual contact is any intentional sexual touching, however slight, with any object, by a person upon another person that is without consent and/or by force. Sexual touching includes any bodily contact with the breasts, groin, mouth, or other bodily orifice of another individual or any other bodily contact in a sexual manner.

   (iii) Domestic violence includes asserted violent misdemeanor and felony offenses committed by the victim’s current or former spouse, current or former cohabitant, person similarly situated under domestic or family violence law, or anyone else protected under domestic or family violence law.

   (iv) Dating violence means violence by a person who has been in a romantic or intimate relationship with the victim. Whether there was such relationship will be gauged by its length, type, and frequency of interaction.

   (v) Stalking means intentional and repeated harassment or following of another person, which places that person in reasonable fear that the perpetrator intends
to injure, intimidate, or harass that person. Stalking also includes instances where the perpetrator knows or reasonably should know that the person is frightened, intimidated, or harassed, even if the perpetrator lacks such intent.

(vi) Consent means knowing, voluntary and clear permission by word or action, to engage in mutually agreed upon sexual activity. Each party has the responsibility to make certain that the other has consented before engaging in the activity. For consent to be valid, there must be at the time of the act of sexual intercourse or sexual contact actual words or conduct indicating freely given agreement to have sexual intercourse or sexual contact.

A person cannot consent if they’re unable to understand what is happening or if they’re disoriented, helpless, asleep or unconscious for any reason, including due to alcohol or other drugs. An individual who engages in sexual activity when the individual knows, or should know, that the other person is physically or mentally incapacitated has engaged in nonconsensual conduct.

Intoxication is not a defense against allegations that an individual has engaged in nonconsensual sexual conduct.

14. Harassment. Unwelcome and offensive conduct, including verbal, nonverbal, or physical conduct, that is directed at a person because of such person’s protected status and that is sufficiently serious as to deny or limit, and that does deny or limit, the ability of a student to participate in or benefit from the college’s educational program or that creates an intimidating, hostile, or offensive environment for other campus community members. Protected status includes a person’s race; color; national origin; sensory, mental or physical disability; use of a service animal; gender, including pregnancy; marital status; age; religion; creed; genetic information; sexual orientation; gender identity; veteran’s status; or any other legally protected classification. See “Sexual misconduct” for the definition of “sexual harassment.” Harassing conduct may include, but is not limited to, physical conduct, verbal, written, social media, and electronic.
15. **Retaliation.** Taking adverse action against any individual for, providing information, or otherwise participating in a process for addressing alleged violations of federal, state, or local law, or college policies, including allegations of discrimination or harassment.

16. **Misuse of electronic resources.** Theft or other misuse of computer time or other electronic information resources of the college, which includes:
   (a) Unauthorized use of such resources or opening of a file, message, or other item;
   (b) Unauthorized duplication, transfer, or distribution of a computer program, file, message, or other item;
   (c) Unauthorized use or distribution of someone else’s password or other identification;
   (d) Use of such time or resources to interfere with someone else’s work;
   (e) Use of such time or resources to send, display, or print an obscene or abusive message, text, or image;
   (f) Use of such time or resources to interfere with normal operation of the college’s computing system or other electronic information resources;
   (g) Use of such time or resources in violation of applicable copyright or other law;
   (h) Adding to or otherwise altering the infrastructure of the college’s electronic information resources without authorization; or
   (i) Failure to comply with the college’s policies or procedures governing the use of such time or resources.

17. **Unauthorized access.** Unauthorized possession, duplication, or other use of a key, keycard, or other restricted means of access to college property, or unauthorized entry onto or into college property.

18. **Safety violations.** Any nonaccidental conduct that violates, interferes with, or otherwise compromises any law, rule, policy, procedure, or equipment relating to the safety and of college facilities or the college community, including tampering with fire safety equipment or triggering false alarms or other emergency response systems.

19. **Motor vehicle operation.** Operation of any motor vehicle in an unsafe manner or contrary to posted signs or college procedures.

21. **Student procedures violations.** Misuse of or failure to follow any of the procedures relating to student complaints or misconduct, including:
   (a) Falsification or misrepresentation of information;
   (b) Failure to obey a subpoena;
   (c) Disruption or interference with the orderly conduct of a proceeding;
   (d) Destroying or altering potential evidence, or attempting to intimidate or otherwise improperly pressure a witness or potential witness;
   (e) Attempting to influence the impartiality of, or harassing or intimidating, a student conduct committee member or other disciplinary official; or
(f) Failure to comply with any disciplinary action, term, or condition imposed under this chapter.

22. **Ethical violation.** Ethical violations include, but are not limited to, breach of a generally recognized and published code of ethics or standard of professional practice that governs the conduct of a particular profession, which the student has been specifically informed about and is required to adhere to as a condition of enrolling in a course or participating in an educational program.

In addition to initiating discipline proceedings for violation of the student conduct code, the college may refer any violations of federal, state or local laws to civil and criminal authorities for disposition. The college shall proceed with student disciplinary proceedings regardless of whether the underlying conduct is subject to civil or criminal prosecution.

Initiation of disciplinary action.

1. All disciplinary actions will be initiated by the student conduct officer. If that officer is the subject of a complaint initiated by the respondent, the president shall, upon request and when feasible, designate another person to fulfill any such disciplinary responsibilities relative to the complainant.

2. The student conduct officer shall initiate possible disciplinary action by serving the respondent with written notice directing them to attend a disciplinary meeting. The notice shall briefly describe the factual allegations, the specific apparent misconduct under WAC 495C-121-050, and the range of possible disciplinary sanctions, and specify the time and location of the meeting. At the meeting, the student conduct officer will present the allegations to the respondent and the respondent shall be afforded an opportunity to explain what took place. If the respondent fails to attend the meeting after proper service of notice, the student conduct officer may impose disciplinary sanction(s) and conditions based upon the available information.

3. Within ten days of the scheduled initial disciplinary meeting, and after considering the information obtained by investigation and any information presented by the respondent, the student conduct officer shall serve the respondent with a written decision setting forth the facts and conclusions supporting their decision, the specific student conduct code provisions found to have been violated, the discipline imposed, if any, the consequences if a student fails to satisfy any disciplinary condition(s) which are being imposed, and a notice of the respondent’s appeal rights, if any, with an explanation of the consequences of failing to file a timely appeal.

4. The student conduct officer may take any of the following actions:
   (a) Terminate the proceeding, with any appropriate exoneration of the respondent or counseling or advice to the respondent. The respondent cannot appeal a termination of the proceedings;
   (b) Specify misconduct under WAC 495C-121-050 which they’ve found to have occurred and impose disciplinary sanction and/or condition(s), as described in WAC 495C-121-060; or
   (c) Refer the matter directly to the student conduct committee for a hearing and imposition of such disciplinary sanction and/or condition(s) as the committee deems appropriate. Such referral shall be to the attention of the chair of the committee with a copy served on the respondent.

[Statutory Authority: RCW 28B.50.140. WSR 14-11-070, § 495C-121-100, filed 5/19/14, effective 6/19/14.]

495C-121-110
Appeals and referrals—Routing.

1. The respondent may appeal a disciplinary action by filing a written notice of appeal with the conduct review officer within twenty-one days of service of the student conduct officer’s decision. Failure to file a timely notice of appeal constitutes a waiver of the right to appeal, and the student conduct officer’s decision shall be deemed final.

2. The notice of appeal must include a brief statement explaining why the respondent is seeking review.

3. Except as provided in WAC 495C-121-230 or elsewhere in these rules, the parties to an appeal shall be the respondent and the student conduct officer.

4. On appeal, the student conduct officer bears the burden of establishing the factual elements of the alleged misconduct by a preponderance of the evidence, i.e., that it is more likely than not that the respondent engaged in the alleged misconduct.

Code of Conduct
5. Imposition of a disciplinary sanction and conditions shall be stayed during an appeal, except for a summary suspension that has been imposed under WAC 495C-121-190.

6. The student conduct committee shall hear:
   a. Appeals from disciplinary suspensions in excess of ten instructional days, and any related disciplinary condition(s);
   b. Appeals from dismissals, and any related disciplinary condition(s); and
   c. Cases referred by the student conduct officer, the conduct review officer, or the president.

7. Appeals from the following disciplinary sanctions and related disciplinary conditions shall be reviewed through a brief adjudicative proceeding:
   a. Written disciplinary reprimands, and any related disciplinary condition(s);
   b. Disciplinary probation, and any related disciplinary condition(s); and
   c. Disciplinary suspensions of ten instructional days or less, and any related disciplinary condition(s).

8. Except as provided elsewhere in these rules, disciplinary warnings and terminations of proceedings are final actions and are not subject to appeal.

[Statutory Authority: RCW 28B.50.140. WSR 14-11-070, § 495C-121-110, filed 5/19/14, effective 6/19/14.]

**495C-121-190**

**Summary suspension.**

1. Summary suspension is a temporary exclusion from specified college facilities and denial of access to all activities or privileges for which a respondent might otherwise be eligible, while an investigation, disciplinary procedures, and/or an appeal are pending.

2. The student conduct officer may impose a summary suspension if there is probable cause to believe, i.e., there are reasonable grounds for believing, that the respondent has committed misconduct under WAC 495C-121-050 and that either:
   a. The situation involves an immediate danger to the public health, safety, or welfare which requires immediate college action; or
   b. The student’s behavior poses an ongoing threat of substantial disruption of, or interference with, the operations of the college.

3. A summary suspension shall be effective when the respondent receives written or oral notice of that suspension. If oral notice is given, a written notification must be served on the respondent within two business days of the oral notice. The written notification shall be entitled “Notice of Summary Suspension” and shall include:
   a. The reasons for imposing the summary suspension, including a description of the misconduct and specification of the provisions of WAC 495C-121-050 allegedly violated;
   b. The date, time, and location when the respondent must appear before the conduct review officer for a hearing on the summary suspension; and
   c. The conditions, if any, under which the respondent may physically access college facilities or communicate with members of the college community. If the respondent is prohibited from entering college facilities, they may be given a notice against trespass which warns that their privilege to enter college facilities has been withdrawn, subject to any specified exceptions such as an invitation to meet with the student conduct officer or conduct review officer.
officer or to attend a scheduled disciplinary hearing, and that they shall be considered
to be trespassing and subject to arrest for criminal trespass for any violation.

4. The hearing before the conduct review officer shall be scheduled as soon as practicable
after service of the notice of summary suspension. If the respondent fails to appear at the
scheduled time, the conduct review officer may order that the summary suspension remain
in place. During the summary suspension hearing, the issues shall be:
(a) Whether the requirements under subsection (2) of this section are satisfied; and
(b) Whether the summary suspension should be continued pending the conclusion of
disciplinary proceedings and/or should be less restrictive in scope.

5. As soon as practicable following the hearing, the conduct review officer shall issue, and
serve on the respondent and student conduct officer, a written decision which addresses the
issues at the hearing. The conduct review officer shall also provide information about the
decision, to the extent legally permissible under FERPA, to all persons and offices who may
be bound or protected by it.

6. The respondent may request a de novo review of the summary suspension hearing decision
by the student conduct committee. The review will be scheduled promptly. Either party may
request the review to be consolidated with any other disciplinary proceeding arising from
the same matter.

495C-121-210
Supplemental sexual misconduct procedures.
Pursuant to RCW 28B.50.140(13) and Title IX of the Education Amendments Act of 1972, 20
U.S.C. Sec. 1681, Clover Park Technical College may impose disciplinary sanctions against a
student who commits, attempts to commit, or aids, abets, incites, encourages, or assists another
person to commit, an act(s) of sexual misconduct. The supplemental procedures provided
for in WAC 495C-121-210 through 495C-121-270 shall supplement the other procedural
requirements of this chapter and will govern all student conduct proceedings regarding alleged
acts of sexual misconduct. In the event of a conflict between the supplemental procedure

control. For purposes of this supplemental procedure, “sexual misconduct” encompasses the
following conduct:

2. Hostile environment. Unwelcome conduct that a reasonable person would find to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to Clover Park Technical College’s educational programs or activities, or employment.

3. Sexual assault. Sexual assault includes the following conduct:
   a. Nonconsensual sexual intercourse. Any actual or attempted sexual intercourse (anal, oral, or vaginal), however slight, with any object or body part, by a person upon another person, that is without consent and/or by force. Sexual intercourse includes anal or vaginal penetration by a penis, tongue, finger, or object, or oral copulation by mouth to genital contact or genital to mouth contact.
   b. Nonconsensual sexual contact. Any actual or attempted sexual touching, however slight, with any body part or object, by a person upon another person that is without consent and/or by force. Sexual touching includes any bodily contact with the breasts, groin, mouth, or other bodily orifice of another individual, or any other bodily contact in a sexual manner.
   c. Incest. Sexual intercourse or sexual contact with a person known to be related to them, either legitimately or illegitimately, as an ancestor, descendant, brother, or sister of either wholly or half related. Descendant includes stepchildren and adopted children under the age of eighteen.

5. Dating violence. Physical violence, bodily injury, assault, the infliction of fear of imminent physical harm, sexual assault, or stalking committed by a person:

      (i) The length of the relationship;
      (ii) The type of relationship; and
      (iii) The frequency of interaction between the persons involved in the relationship.

6. Stalking. Engaging in a course of conduct directed at a specific person that would cause a reasonable person to fear for their safety or the safety of others or suffer substantial emotional distress.

495C-121-215
Title IX Jurisdiction.
1. This supplemental procedure applies only if the alleged misconduct:
   a. Occurred in the United States;
   b. Occurred during a Clover Park Technical College educational program or activity; and
   c. Meets the definition of sexual harassment as that term is defined in this supplemental procedure.
2. For purposes of this supplemental procedure, an “educational program or activity” is defined as locations, events, or circumstances over which Clover Park Technical College exercised substantial control over both the respondent and the context in which the alleged sexual harassment occurred. This definition includes any building owned or controlled by a student organization that is officially recognized by the college.
3. Proceedings under this supplemental procedure must be dismissed if the decision maker determines that one or all of the requirements of subsection (1)(a) through (c) of this section, have not been met. Dismissal under this Title IX supplemental procedure does not prohibit the college from pursuing other disciplinary action based on in situations where the allegations against the respondent, if true, would constitute violations of other provisions of the college’s student conduct code, chapter 495C-121 WAC.
4. If the student conduct officer determines the facts in the investigation report are not sufficient to support Title IX jurisdiction and/or pursuit of a Title IX violation, the student conduct officer will issue a notice of dismissal in whole or part to both parties explaining why some or all of the Title IX claims have been dismissed.

495C-121-220
Supplemental complaint process.
With respect to complaints or other reports of alleged sexual misconduct by a student:
1. The college’s Title IX compliance officer shall investigate, or assure investigation of, complaints or other reports of alleged sexual misconduct by a student. The investigation will be completed in a timely manner and the results of the investigation shall be referred to the student conduct officer for possible disciplinary action.
2. Informal dispute resolution shall not be used to resolve sexual misconduct complaints without written permission from both the complainant and the respondent. If the parties elect to mediate a dispute, either party shall be free to discontinue the mediation at any time. Mediation shall not be used to resolve complaints involving allegations of sexual violence.
3. College personnel will honor requests to keep sexual misconduct complaints confidential to the extent this can be done without unreasonably risking the health, safety, and welfare of the complainant or other members of the college community or compromising the college’s duty to investigate and process such complaints.

495C-121-225
Initiation of discipline.

1. Upon receiving the Title IX investigation report from the Title IX compliance officer, the student conduct officer will independently review the report to determine whether there are sufficient grounds to pursue a disciplinary action against the respondent for engaging in prohibited conduct under Title IX.

2. If the student conduct officer determines that there are sufficient grounds to proceed under these supplemental procedures, the student conduct officer will initiate a Title IX disciplinary proceeding by filing a written disciplinary notice with the chair of the student conduct committee and serving the notice on the respondent and the complainant, and their respective advisors. The notice must:
   a. Set forth the basis for Title IX jurisdiction;
   b. Identify the alleged Title IX violation(s);
   c. Set forth the facts underlying the allegation(s);
   d. Identify the range of possible sanctions that may be imposed if the respondent is found responsible for the alleged violation(s);
   e. Explain that the parties are entitled to be accompanied by their chosen advisors during the hearing and that:
      i. The advisors will be responsible for questioning all witnesses on the party’s behalf;
      ii. An advisor may be an attorney; and
      iii. The college will appoint the party an advisor of the college’s choosing at no cost to the party, if the party fails to do so.

3. Explain that if a party fails to appear at the hearing, a decision of responsibility may be made in their absence.

[Statutory Authority: RCW 28B.50.140, United States Department of Education 34 C.F.R. Part 106 and chapter 495C-121 WAC. WSR 21-17-056, § 495C-121-225, filed 8/10/21, effective 9/10/21.]

495C-121-235
Prehearing procedure.

1. Upon receiving the disciplinary notice, the chair of the student conduct committee will send a hearing notice to all parties, in compliance with WAC 495C-121-150. In no event will the hearing date be set less than ten days after the Title IX compliance officer provides the final investigation report to the parties.

2. A party may choose to have an attorney serve as their advisor at the party’s own expense. This right will be waived unless, at least five days before the hearing, the attorney files a notice of appearance with the committee chair with copies to all parties and the student conduct officer.

3. In preparation for the hearing, the parties will have equal access to all evidence gathered by the investigator during the investigation, regardless of whether the college intends to offer the evidence at the hearing.

[Statutory Authority: RCW 28B.50.140, United States Department of Education 34 C.F.R. Part 106 and chapter 495C-121 WAC. WSR 21-17-056, § 495C-121-235, filed 8/10/21, effective 9/10/21.]
495C-121-240

Rights of parties.
1. Clover Park Technical College’s student conduct procedures, chapter 495C-121 WAC, and this supplemental procedure shall apply equally to all parties.
2. The college bears the burden of offering and presenting sufficient testimony and evidence to establish that the respondent is responsible for a Title IX violation by a preponderance of the evidence.
3. The respondent will be presumed not responsible until such time as the disciplinary process has been finally resolved.
4. During the hearing, each party shall be represented by an advisor. The parties are entitled to an advisor of their own choosing and the advisor may be an attorney. If a party does not choose an advisor, then the Title IX compliance officer will appoint an advisor of the college’s choosing on the party’s behalf at no expense to the party.

1. Relevance: The chair of the student conduct committee shall review all questions for relevance and shall explain on the record their reasons for excluding any question based on lack of relevance.
2. Relevance means that information elicited by the question makes facts in dispute more or less likely to be true.
3. Questions or evidence about a complainant’s sexual predisposition or prior sexual behavior are not relevant and must be excluded, unless such question or evidence:
   a. Is asked or offered to prove someone other than the respondent committed the alleged misconduct; or
   b. Concerns specific incidents of prior sexual behavior between the complainant and the respondent, which are asked or offered on the issue of consent.
4. Cross-examination required: If a party or witness does not submit to cross-examination during the live hearing, the committee must not rely on any statement by that party or witness in reaching a determination of responsibility.
5. No negative inference: The committee may not make an inference regarding responsibility solely on a witness’s or party’s absence from the hearing or refusal to answer questions.
6. Privileged evidence: The committee shall not consider legally privileged information unless the holder has effectively waived the privilege. Privileged information includes, but is not limited to, information protected by the following:
   a. Spousal/domestic partner privilege;
   b. Attorney-client and attorney work product privileges;
   c. Privileges applicable to members of the clergy and priests;

General Information on Student Concerns

It is the policy of Clover Park Technical College to provide students with an opportunity to resolve any alleged violation of college academic policy, procedure or regulation, or to resolve any alleged case of inequitable treatment. The college encourages informal resolution of disputes whenever possible, and also maintains fair and equitable procedures for formally expressing and resolving concerns. Student rights are protected in the concern/appeal process and the college must ensure that a student will not suffer repercussions because they choose to file a concern/appeal in good faith.

All concerns can be reported by visiting https://www.cptc.edu/better-cptc and filling out the applicable concern form. The form will be automatically sent to the appropriate person/office to respond and investigate the concern in a timely manner.

The following are guidelines for determining who can assist a student with a concern regarding:

Academic/Instructional............................................................Instruction
Accommodations ........................................................................Student Success
Disciplinary/Student Code of Conduct ......................................Student Success
Discrimination/Harassment ..................................................Human Resources
Facilities/Bookstore .................................................................Finance and Administration Office
Financial Aid ........................................................................Financial Aid Office
Financial (College) .................................................................Finance and Administration Office

Federal and state laws, rules and regulations, in addition to policies, regulations, and procedures adopted by the State Board for Community and Technical Colleges, shall not be grievable matters. Students shall use chapter 495C-300 and 495C-310 WAC for grievances pertaining to sexual discrimination or equal opportunity discrimination based upon disability.
Academic Appeal Process

The process outlined below is for Academic concerns or Grade Appeals. It is not to be used for filing an appeal based on the outcome of a summary or disciplinary proceeding, financial appeal, or discrimination/harassment complaint as described in other areas of the College Catalog or Student Handbook.

Academic Appeal must be made within fifteen (15) instructional days following the issuance of the grade or decision.

**Step 1**
Before a student can file a written concern or appeal, they should try to resolve the problem informally. The college expects the student to address their concern by first meeting and/or discussing the concern with the college employee(s) whose actions resulted in the concern and documenting the discussion with notes. If not resolved, the student may proceed to the next step.

**Step 2**
If, within 5 instructional days following the informal resolution attempt, the student feels a satisfactory resolution has not been achieved, the student may file a formal written concern with the employee’s immediate supervisor or department chair—the concern or appeal must be in writing, utilizing the appropriate form, and include the documentation from Step 1 as well as any other supporting documentation as an attachment. A “Student Academic Concern Form” or “Grade Appeal Form” is available from any instructor, division dean’s office or Advising Center.

**Step 3**
Within 5 instructional days after receiving the concern or appeal in writing, the supervisor (or designee) will be responsible to investigate the concern. The supervisor or designee will provide the employee with a copy of the written concern or appeal; the employee will have 5 instructional days in which to provide a written response to their supervisor.

**Step 4**
The supervisor, or designee, will convene a meeting of both parties in an attempt to resolve the issue, provided that the parties agree to meet for this purpose. In the event that one or both parties do not agree to meet, the supervisor or designee will investigate and render a decision based on the written statements and testimony of the parties. The supervisor or designee will impart this decision in writing to both parties within 5 instructional days. If the student feels a satisfactory resolution has not been achieved, the student may proceed to the next step.

**Step 5**
Within 5 instructional days after Step 4, the student will notify the appropriate Vice-President for Instruction, in writing, to request a hearing before the Appeal Review Committee. The Committee will be chaired by the Vice President for Student Learning (or designee) and will also include the Vice President for Student Success (or designee), two student representatives appointed by the Student Council, and two faculty members appointed by the Faculty Union.

**Step 6**
Within 10 instructional days, the Appeal Review Committee will meet with the student, instructor, and director, department chair or supervisor to hear the points at issue in the appeal. The Committee will provide its written decision to all parties within 5 instructional days following the hearing. The decision is final and may not be reviewed.

The process above is used for filing a concern in which a resolution has been requested that is specific to the student filing. If a student wishes to file an official complaint that has no personal resolution, or wishes to remain anonymous, that complaint will not follow the above steps.
