Message from the President

Dear Class of 2020,

Congratulations on your accomplishment! Graduating is a significant achievement under any circumstance, and you have faced untold challenges to get to today. Not only have you learned your craft, you did it in the midst of a global pandemic, recession, and unrest not seen in generations.

The completion of studies is always a time for both celebration and reflection, now more so than ever. When history looks back upon this time, it will see you as I do: resilient, strong, dedicated to what is right, and committed to make a better future for yourselves and your families.

Everybody who supported you along the way is immensely proud of you. Today, as you cross the finish line, know that the many people who have accompanied you on your academic journey – your family, friends, and all of us at CPTC – will continue cheering for your success.

You are now part of an exclusive group: Clover Park Alumni. Future students will need mentors and role models to guide them through their studies and into their careers. Consider maintaining your ties with the College so that you can pass along your experiences and knowledge. Keep in touch at FriendsofCloverPark.org and with [LinkedIn](#).

Best wishes to you, Class of 2020.
